

At the end of your life-path is an entrance to heaven.

Only I know when you will reach that destination, but I am preparing you for it each step of the way.

The absolute certainty of your heavenly home gives you Peace and Joy to help you along your journey.

You know that you will reach your home in My perfect timing, not one moment too soon or too late.

Let the hope of heaven encourage you as you walk along the path of Life with Me.
