

# 2021 FLU CLINIC SCHEDULE

The Nashoba Associated Boards of Health, in partnership with your local board of health, will be providing flu clinics throughout the district in October. Nashoba will be using an online registration system (COLOR) for the convenience of our residents instead of the paper form. To access the online registration, click on the registration link for the specific clinic and age group. Appointments are based upon the availability of vaccine and walk-ins will be accepted as vaccine supplies allow; residents can attend any district clinic.

**WHO:** Nashoba district residents may attend ANY of our clinics. Visit our website for the complete listing of clinics. ALL ages, including infants (6 months old & up) through seniors, refer to our website for specific age restrictions.

**WHAT:** Annual Seasonal Influenza Vaccine (quadrivalent), preservative free for 18 years of age and younger, High Dose for seniors 65 and older.

**\* Please bring your photo ID and insurance cards to the clinic.**

## **Answers to FAQs:**

We will provide only inactivated, injectable influenza vaccine (no nasal/live vaccines)

All influenza vaccines are quadrivalent (protect against 4 strains of influenza)

We will offer High Dose flu vaccine for seniors aged 65 years and older

We can vaccinate ALL ages starting at 6 months old, adults, & seniors

We only provide influenza vaccine at the clinics

We expect attendees to respect all social distancing & mask wearing is required

We expect people will NOT come to clinic if they are sick with ANY signs of illness

# NASHOBA ASSOCIATED BOARDS OF HEALTH
